Does she have a 10:30 meeting? If busy, how's 11:45?

Felicia relays that it was a good idea; however, it is not going to work! She is still stuck on the bridge... Another time?

Thx Carol, just in time! I was hoping to catch her before my 9:15 meeting, so if she makes it through the quagmire and is downtown by 9, I'll head over to Equator.

Heads up! -- Felicia is stuck at the bridge and is not sure what time she will make it there but is on her way.
